

Give Others the Sunshine

**Give others the sunshine, tell Jesus the rest
A kind word spoken sends warmth to God's Best.**

**Many hearts are broken, hardened from a sinful life,
needing just a touch of love to ease their burden and
strife.**

**So give others the sunshine, tell Jesus the rest
A kind word spoken sends warmth to God's Best.**

**We do not know all of their journey and may only
briefly meet. By sharing an Oil of Gladness their
lives may turn from bitter to sweet.**

**So give others the sunshine, tell Jesus the rest
A kind word spoken sends warmth to God's Best.**
