

God's Grace is Sufficient

Life seems so fragile when Death makes its final call.

God's grace seems insufficient when you need it
most of all.

Someday this sorrow will pass away and you will
have to go on.

God's grace will enfold you, giving everlasting
strength to carry on.

As you grow to know and love God, you will realize
He feels your pain.

God gave His only Son, Jesus, so that each of us
could gain

The Treasure of Eternal Life for those who follow His
Holy Spirit's lead.

God's grace is sufficient, no matter what our earthly
need.
