

I Want To Praise and Worship You

I want to Praise Your Name and Thank You so.

I want to Worship You and go where You go.

I want to live my life so it pleases You.

I want to put my trust - Abiding in You.

Then I will be like You Who Came For The Lost.

I will be like You Who Died On The Cross.

I will be like You and Seek Your Father's Will.

I will be like You and Learn To Be Still.
