

## **No Holding Back**

**Now is the time to commit to a course that brings you face to face with Jesus Christ, Your only source.**

**The reason for this urgency is because the Son of God's Glory is being revealed and many will know the truth and be given a choice to receive and be sealed.**

**But time is running short, you must not hesitate because this fallen world depends on each of us to share Jesus before it's too late.**

**To receive the Gift of Salvation and be numbered as one of His flock. To be true to your calling - Trust and Obey God's Will - No Holding Back.**
