

The HOPE of Your Family, Your City and Your Nation

I AM the hope of your family, your city and your nation.
Your safe haven is found only in Me.

I WILL provide protection
but it is only in Me that you will be free.

Fires are burning in men's hearts
but your peace is found only in Me.

Reconciliation is My will for you,
it is only in Me that you are free.

Praise Me - Worship Me
In Me all are one.

Seek Me - Come to Me
only through My Son.

I have a Plan of Peace that far exceeds your own.
The seeds of which are found in Me alone.

In Me is Salvation - In Me is a tree
growing roots deep within Me, branches full of leaves.

Each one with a purpose - Each one full of Me
Each one has it's season before it is set free.

Seasons come and seasons go, but I Will always be.
Loving each new season for I AM life to thee.
