

## The Joy of Loving Jesus

The Joy is in Knowing Jesus, a reflection of God's Love  
The Joy is in Receiving Jesus, a gift from heaven above

The Joy is in Living for Jesus, a response to what He has done.  
The Joy is in Sharing Jesus with every living one.

Come and see Jesus - Come and be one  
Come and join with brothers and sisters  
Jesus' victory is already won

Come and bow down and worship  
Our Heavenly King - Come and lift our  
voices high and let our heart's sing

The Joy is in Loving Jesus, the gift of God's own Son  
The Joy is in Loving Jesus with every living one.
