

## The Narrow Road

The world beckons us to excess, to require more than we need.

The Lord invites us to access His word, a powerfully, joyfilled seed.

But planted in thorny ground will rob us of contentment from within.

By luring us to desire riches and power, a wide road paved with sin.

So I shall take the Narrow Road, the path of truth and light.

Where the focus is on loving others, the secret of God's food of life.

Contentment comes from accessing God's Spirit, the fullness of His life *now* living in me.

"I can do all things through Jesus Christ who strengthens me."

We no longer need walk on the paved road that only leads to anger and strife.

When we ask Jesus Christ into our Heart, we are then born a Citizen of Zion for eternal life.
